- For ERASMUS students there will be special arrangements in order to allow them to incorporate to the classes in September or in February (if they wish to spend only a semester) and to certificate their attendance and results of every discipline they are inscribed in. ## LANGUAGE REQUIREMENTS

- Portuguese B1

All classes are taught in Spanish but there will be the necessary arrangements for foreign students to attend. The School has an English Language assistant for some studies (Photography and Serigraphy). Nevertheless she/he will be at the foreign students' disposal for any questions and trouble-solving.

Spanish B1 level is enough to access to all the studies as it is Portuguese B1 level, since Galician (the official language together with Spanish in our School) is very similar to Portuguese.
